"WE THE PEOPLE"
HOMECOMING WEEKEND

June 24, 25, 26, 1988

Tentative Plans:

Friday June 24, 1988	Band Concert
Saturday June 25, 1988	Old Fashioned Town Picnic (Boxed lunches to be auctioned) Bike & Carriage Decorating Beard Growing Contest Gaoling of Town Officials Speeches and Entertainment Costume Ball
Sunday June 26, 1988	Public Breakfast Ecumenical Church Service

All organizations are urged to sponsor and/or participate in these activities, or plan additional activities to help celebrate "WE THE PEOPLE" Homecoming.

Residents are urged to write to their children, grandchildren, relatives, former neighbors or any former residents of Newton and invite them to spend the weekend here and participate in the celebration.

The Nation owes a debt of gratitude to those "Founding Fathers" who worked so hard to develop the Constitution for the fledgling nation. Newton, along with other communities, has an opportunity during these five years to instill into our young people a knowledge, an awareness and an appreciation of how great an accomplishment "WE, THE PEOPLE OF THE UNITED STATES" was and is to this day.

DEDICATION

MYRTLE (FANJOY) ROGERS

Myrtle Rogers was born on March 24, 1925 in Haverhill, Massachusetts. She graduated from Haverhill High School and Northern New England School of Christian Education. She married Roland I. Rogers in Haverhill, Massachusetts in 1952. They have lived happily in Newton more than a quarter of a century.

Myrtle is the mother of Richard Newhall of Texas and Rebecca McGowan of Newton. Her "foster" children are Mark Swansey of Newburyport, Massachusetts and Mary Deane of Panama City, Florida, and has eight grandchildren.

Myrtle has been involved in the community since her arrival:

N.H. State Representative 1973 - 1983
Clerk of the Environmental & Agriculture Committee
Chairman Registry of Deeds Subcommittee
Chairman of Nursing Home Subcommittee
Member of the Newton Conservation Commission since its founding
State Chairman of the N.H. Conservation Commission for two years
Chairman of the Town's 225th Celebration in 1974
Chairman for the National Bicentennial in 1976 for Newton
Secretary for Rockingham County National Bicentennial Commission
Member of Rockingham Planning Commission
Board of Directors, Rockingham Nutritional Board
Volunteer for Rockingham Nursing Home for twelve years
Founder of the Newton Historical Society
Fourteen years as a 4-H Leader
Church Deacon & Sunday School Superintendent/Teacher
Board of Directors, N.H. Christian Civic League

The Town wishes to express its appreciation for all the work and dedication given by Myrtle in her many activities for the benefit of the Town. We hope that she will keep up the good work!

IN MEMORIAM

VERA (COLBY) FOY
1914 - 1987

Vera was a lifelong resident of Newton, being the third generation of the Colby Family to live in Newton. Also, she was the granddaughter of Charles and Margaret Thornell. She is survived by her husband, Edward W. Foy, two daughters, Ann C. Buswell of Newton and Paula Parziale of Plaistow, and four grandchildren.

She attended Newton schools, graduated from Sanborn Seminary in 1932 and attended the University of New Hampshire.

She was always interested in Town activities and worked at the Polls during Election. She was a lifelong member of the First Christian Church and first joined the choir at the age of ten.

TOWN WARRANT
1988
The State of New Hampshire town Warrant

THE POLLS WILL BE OPEN FROM 10:00 A.M. to 7:30 P.M.

To the inhabitants of the Town of Newton, N.H., in the County of Rockingham, in said State, qualified to vote in Town Affairs: you are hereby notified to meet at the Town Hall, in said Newton, on Tuesday, the eighth day of March next, at ten o'clock in the forenoon, to choose all necessary Town Officers for the ensuing year by official ballot, and to take other action required to be inserted on said ballot; the polls to be open at ten o'clock in the forenoon and to close not earlier than seven-thirty o'clock in the evening, and thereafter to reconvene at the Sanborn Regional Middle School in Newton, on Wednesday, March 9, 1988, at seven o'clock in the evening for the purpose of acting upon all other matters to come before the Meeting.

1. To choose all necessary Town Officers for the year ensuing.

2. Are you in favor of the adoption of Amendment No. 1 to the Zoning Ordinance as proposed by petition of 25 or more legal voters for this Town?

"To rezone a tract of land totaling 73,621 square feet currently owned by V & M Associates Trust, identified by Newton Tax Map 012, Block 04, Lot 001-1, and otherwise identified as bordering South Main Street and a proposed road to be known as Fernwood Drive from Residential A to Commercial. Said zoning change would be keeping with zoning established for abutting properties."

THE PLANNING BOARD DISAPPROVES OF THIS AMENDMENT

3. Are you in favor of the adoption of Amendment No. 2 to the Zoning Ordinance as proposed by petition of 25 or more legal voters for the Town of Newton?

SECTION XIII GENERAL PROVISIONS

6. Not more than one (1) commercial vehicle will be housed at a premise in any residential zone in the Town of Newton.

THE PLANNING BOARD DISAPPROVES OF THIS AMENDMENT

4. Are you in favor of the adoption of Amendment No. 3 to the Building Codes as proposed by petition of 25 or more legal voters for the Town of Newton?

To amend ARTICLE V, Section 3, to read:

"The Building Inspector shall not issue any building or occupancy permit for any proposed construction, remodeling, or maintenance which will not comply with any or all Zoning Ordinances, Building Codes, or Planning Board regulations which are in effect."

THE PLANNING BOARD DISAPPROVES OF THIS AMENDMENT

5. Are you in favor of the adoption of Amendment No. 4 to the Zoning Ordinance as proposed by petition of 25 or more legal voters for this Town?

To amend SECTION XIII, Paragraph 4, to read:

"No occupier or owner of residential land shall permit more than one (1) unregistered motor vehicle or parts thereof, the bulk of which equals one motor vehicle, on land owned or occupied by them unless subject unregistered vehicles are used regularly on the premises."

For purposes of this ordinance, unregistered motor vehicles are defined as those vehicles that are not road worthy and/or fail registration statutes of the State of New Hampshire.

THE PLANNING BOARD DISAPPROVES OF THIS AMENDMENT

6. Are you in favor of the adoption of Amendment No. 5 to the Zoning Ordinance as proposed by petition of 25 or more legal voters for this Town?

SECTION XV BOARD OF ADJUSTMENTS

1. A Board of Adjustments established in accordance with Chapter 31 of the New Hampshire Revised Statutes Annotated shall exercise all the duties and functions granted to it according to Chapter 31.

2. To hear and decide Special Exceptions to the terms of the Zoning Ordinance upon which the Board is required to pass under the ordinance.

3. The Board of Adjustment shall have the authority to grant a Special Exception to the provisions of:

   (See) SECTION IV RESIDENTIAL A ZONE AREA REGULATIONS:

   Paragraph 2: Lot frontage requirement.
   Paragraph 2: Lot size.
   Paragraph 3: Side line setbacks.
   Paragraph 3: Front line setbacks.

   (See) SECTION VI RESIDENTIAL B ZONE AREA REGULATIONS:

   Paragraph 2: Lot frontage requirement.
   Paragraph 2: Lot size.
   Paragraph 3: Side line setbacks.
   Paragraph 3: Front line setbacks.

   (See) SECTION VII RESIDENTIAL C ZONE AREA REGULATIONS:

   Paragraph 1; Sub Paragraph a & b: Lot frontage requirement.
   Paragraph 2; Sub Paragraph a & b: Lot size.

4. In granting a Special Exception, the Board shall consider the following requirements:

   a. The proposed use will not adversely affect the public health, safety and welfare.

   b. The use will be compatible with adjoining uses and the character of the zone district where it is to be located.

c. The granting of the Special Exception will not adversely affect abutting or nearby properties.

d. The Board of Adjustment may add such addtional conditions as it deems necessary.

THE PLANNING BOARD DISAPPROVES OF THIS AMENDMENT

7. Are you in favor of the adoption of Amendment No. 6 as proposed by the Planning Board for the Town of Newton Zoning Ordinance as follows:

Amend the Residential A Zone Area Regulations, SECTION IV:2, to read as follows:

(Currently, this section reads: "...150 feet frontage on a street or way...")

9. Are you in favor of the adoption of Amendment No. 8 as proposed by the Planning Board for the Town of Newton Zoning Ordinance as follows:

Amend the Residential C Zone Area Regulations, SECTION VIII:1-b, to read as follows:

b. For a mobile home park without both a central sewage treatment facility and central water supply, each lot shall have not less than 150 feet continuous frontage on a Class I, II, III, IV, or V Highway.
(Currently, this section reads: "...150 feet frontage on a street or way...")

10. Are you in favor of the adoption of Amendment No. 9 as proposed by the Planning Board for the Town of Newton Zoning Ordinance as follows:

Amend the GENERAL PROVISIONS, SECTION XIII:6, by adding the following:

6. No commercial excavation shall be permitted in any residential zone. Excavation shall be permitted where it is incidental to the lawful construction or alteration of a building or structure, parking lot, way, or driveway.

11. Are you in favor of the adoption of Amendment No. 10 as proposed by the Planning Board for the Town of Newton Zoning Ordinance as follows:

Add a new section to read as follows:

SECTION XVIII ENFORCEMENT

The Selectmen or their authorized representative shall be responsible for enforcing the provisions of this ordinance.

12. Are you in favor of the adoption of Amendment No. 11 as proposed by the Planning Board for the Town of Newton Zoning Ordinance as follows:

Add a new section to read as follows:

SECTION XIX(XVIII if Article 11 fails to pass) FINES AND PENALTIES

Any violation of this Ordinance is punishable by a civil fine of not more than $100 for each day that such violation is found by the court to continue after conviction date or after the date on which the violator receives written notice from the municipality that he is in violation of the ordinance, whichever date is earlier. The provisions of RSA 676:17 II, III, and IV are incorporated as part of this section.

13. Shall the Town accept the provisions of RSA 53-B:1 to 11 inclusive, providing for the establishment of a regional refuse disposal district, together with the Towns of Brentwood, Danville, East Kingston, Exeter, Fremont, Hampton, Hampton Falls, Kensington, New Castle, North Hampton, Rye, Sandown, and South Hampton, and the city of Portsmouth, and the construction, maintenance, and operation of a regional refuse disposal facility by said district in accordance with the provisions of a proposed agreement filed with the Selectmen?

14. To hear reports of Town Officers and pass any vote relating thereto.

15. To see if the Town will vote to authorize the Board of Selectmen to borrow money in anticipation of taxes.

16. To see if the Town will vote to authorize the Selectmen to transfer tax liens and convey property acquired by Tax Collector's Deed by public auction (or advertised sealed bid) or in such manner as determined by the Selectmen as justice may require. RSA 80:42.

17. To see if the Town will vote to authorize the Selectmen to sell any property of the Town, excluding Real Estate, not used for public purposes by advertised sealed bids.

18. To see if the Town will vote to authorize the Board of Selectmen to apply for, accept and expend money from the State, Federal or another governmental unit or a private source which becomes available during the year in accordance with the procedures set forth in Revised Statutes Annotated 31:95-B.

19. To see if the Town will vote to grant a discount of 5% on property taxes if paid within fifteen (15) days of the date of the tax bill.

20. To see if the Town will vote to grant permission to erect a Senior Citizen Center on the town-owned Marshall property on Wallace Street, only if the Federal grant is received.

22. To see if the Town will vote to authorize the Board of Selectmen to sell the Land & Building located at 40 South Main Street, Tax Map 012, Block 06, Parcel 002, acquired by deed from Dr. James Walls to the Town in lieu of taxes, Book 2360, Page 1705. To be sold by public auction (or advertised sealed bid) or in such a manner as determined by the Selectmen as justice may require.

23. To see if the Town will vote to adopt the provisions of the Revised Statutes Annotated 33 A:1-6 providing for the Disposition of Municipal Records according to the schedule established by the Municipal Records Board.

24. "Shall we adopt the provisions of the Revised Statutes Annotated 80:58-86 for a real estate tax lien procedure? These statutes provide that tax sales to private individuals for non-payment of property taxes on real estate are replaced with a real estate tax lien proceudre under which only a municipality or county where the property is located or the state may acquire a tax lien against land and buildings for unpaid taxes". Effective March 15, 1988.

25. To see if the Town will vote to accept a certain parcel of land situated directly behind and contiguous to Highland Cemetery. In exchange thereof, the Town shall convey to Mr. Warren Stocker an equal square footage of land adjacent to and along the Westerly boundary of Highland Cemetery. Terms to be acceptable to both the Cemetery Trustees and Board of Selectmen.

26. To see if the Town will vote to accept a certain parcel of land of approximately 60,000 square feet, located behind Highland Cemetery and contiguous to the land of Article 25. Cost associated with transfer, not to exceed $1,500.00, to be borne by the Town. Terms to be acceptable with the Cemetery Trustees, Board of Selectmen and Mr. Warren Stocker.

27. On petition of 10 or more legal voters, to see if the Town of Newton will vote to adopt the provisions of the Municipal Budget Law (RSA Chapter 32). 12 Members to be appointed by the Moderator for fiscal 1988. Thereafter, Members are to be elected at the Annual Town Meeting by written ballot for three year terms, with the exception of Fiscal Year 1989, where terms will be staggered. Four members elected for 3 years, four members elected for 2 years and four members elected for 1 year. One member of the Board of Selectmen, designated by the Board shall sit on the Budget Committee as a voting member.

28. On a petition of 10 or more legal voters, to see if the Town of Newton will vote to elect its Planning Board pursuant to RSA 673:2 II(b). Said Statute states "The local legislative body may decide, by majority vote at the town meeting, that planning board members shall be elected. If this procedure is adopted, the selectmen shall choose one selectman as an ex-officio member and the remaining planning board positions shall be filled at the next regular town election pursuant to RSA 669:17. Thereafter, a planning board member shall be elected for the term provided under RSA 673:5,II".

Said Planning Board will consist of six elected members plus the single Selectman's ex-officio as per above Statute. Terms of office shall be in conformance with RSA 673:5 II. Alternates shall be appointed by the Planning Board as per RSA 673:6 II. Any vacancies shall be filled as per RSA 673:12 I and II.

Next Town Meeting's ballot shall list six positions. Two positions for three year terms, two positions for two year terms, and two positions for one year term.

FINANCE COMMITTEE REPORT

The Finance Committee, having met with the Town Departments, Boards, Commissions, and providers of services to the Town of Newton make the following recommendations:

We feel that providers of service to the town should be warrant articles and not line items, due to duplication of services. Exeter Area Visiting Nurse Association and Rockingham Planning Commission could remain as line items as they are the sole provider of their type of service.

Approved are: Rockingham Planning Commission, Exeter Area Visiting Nurses Association, Family Mediation, A Safe Place, Lamprey Health Care, Vic-Geary Center, Area Homemakers, Rockingham Community Action Program, Rockingham Child and Family Services and "Circuit Rider".

We do not approve of Center for Life Management. This is a duplication of services.

The Warrant Article for a twenty-five cent per hour increase for all employees should be put aside until the matrix system is in place.

The Warrant Article for the Forestry Truck should be passed and we do not recommend the money be removed from the Capital Reserve Fund.

We recommend starting next year to put aside twenty-five thousand dollars per year into Capital Reserve to meet the needs of future fire truck purchases.

A recommendation was made to the Board of Selectmen that when the Matrix System for wages is finished, that it go before the townspeople as a warrant article for approval.

The following is the current and intended increases in pay:

	1986	1987	Inc.	1988
Secretaries	$5.50	$8.00	45%	$8.25
Part-Time Police	5.50	7.00	27%	7.25
Firemen	5.50	7.00	27%	7.25
Highway Dept.	5.50	6.00	7%	7.25
Library	5.50	5.75	5%	7.00

BUDGETS

LIBRARY:

The Library budget receives our support as does the increase in pay which is still less than all other departments.

ANIMAL CONTROL OFFICER:

We approve wholeheartedly the budget for the Animal Control Officer and the services to the Town.

CONSERVATION COMMISSION:

The Conservation Commission budget receives our approval.

RECREATION COMMISSION:
We approve the budget for the Recreation Commission. We were happy to see the Little League using the Heath Street ballfield and the continuation of the Community Youth and Swim Program.

GENERAL ASSISTANCE:
The budget for General Assistance receives our support.

FIRE DEPARTMENT:
The budget for the Fire Department receives our approval.

CARE OF TREES:
The Tree Wardens budget receives our approval.

PLANNING BOARD:
We do not approve the Planning Board Budget. The salary of $7,280.00 is unnecessary when members have publicly offered to volunteer their time to do some work. We could find no justification for twenty (20) or more hours a week of secretarial work. We recommend $3,000.00 be budgeted for salary. Equipment and supplies to be reduced to $500.00

POLICE DEPARTMENT:
We find this budget is far in excess of its needs. We feel the hiring of a fourth full-time officer was to cut the cost of part-timers and over-time. Instead of decreasing, it is showing a substantial increase and we feel this should be cut.
We do not approve the Police Department Budget.

HEALTH OFFICER:
We can not make a recommendation on the Health Officers Budget due to the fact that the Health Officer was unavailable.

The Finance Committee can very definitely see a need for better fiscal management on the part of the Departments and Selectmen.

Please remember that your tax increase was due to large increases in town budgets.

Warrant Articles, such as transfers of land for personal development, costs borne by the town, should be voted down as it was last year.

We realize that the cost for operating could be cut by use of volunteers and recommend that Boards, Departments and Commissions use more volunteers to keep the cost down to an acceptable level that all taxpayers can accept. Citizen participation is needed in all areas of town government.

The increase in Town Budgets over the past few years, we feel, has shown a great irresponsibility.

Respectfully submitted,
Finance Committee

REPORT OF THE TOWN AUDITOR

This is to certify that I have carefully examined the accounts of the Selectmen, Treasurer, Tax Collector, Town Clerk, Boat Tax Collectors, and the Gale Library and found them to be well vouchered, finally accurate and properly documented. I found the Treasurer, Tax Collector, Town Clerk, Boat Tax Collectors, Trustees of the Trust Funds, Deputy Tax Collector, Deputy Town Clerk, and the Road Agent to be properly bonded.

I hereby certify that I have also examined the accounts of the Trustees of the Trust Fund and Revenue Sharing Funds of the Town of Newton, New Hampshire, and found them accurate, well documented, properly vouchered, and yielding highest attainable revenues.

As a general overview of this audit I found the work preformed by the above Town Officers to be quantitative, qualitative, and to the best interest of the tax payers.

Respectfully submitted,

Paul E. Tardiff

Town Auditor

REPORT OF THE CHIEF OF POLICE

I assumed the position as Chief of Police in Newton in December of 1987. I am familiar with the town as I was born and brought up in Newton and for the past twelve years I have been on the Kingston Police Department. The town of Newton has a fine police force and I am looking forward to working here.

We are looking forward to having Bruce Campbell as your fourth full time certified police officer in June of 1988. As you know the town is growing and we have a small department so we are busy. I hope the townspeople continue to assist the police department in any way they can.

GALE LIBRARY
TRUSTEE'S REPORT

1987 at the Gale Library was a time of consolidating library services and programs that have been instituted over the last few years and maintaining the repairs and renovations of the library building. The library has changed gradually from a two-room school house to a pleasant and efficient center for the town's educational, cultural, and social life.

During the year, the staff has become familiar with the computer system. With the help of the Friends of the Gale Library, we are looking forward to increasing our computer programs to provide a computer for patron use.

The Trustees hope to improve the library's ability to serve the community in several ways:

The Trustees hope to replace the tired old copier with a new model which will provide both patrons and staff with clearer, darker, and more versatile copies.

The Trustees hope to reward the dedicated and enthusiastic staff by placing them on a salary scale equivalent to other town employees.

The Trustees hope to add to the Capital Reserve Fund to save for eventual addition or renovation to the building in the event the growth of the town requires alterations.

In 1987, the Trustees have reviewed the State Fire Marshall's report and with the help of the Fire Chief have implemented suggested improvements in smoke detectors, fire alarms, and emergency lighting.

It is impossible to thank all the people who have contributed to the library's success in 1987, but we wish to express special thanks to the many town organizations that have donated time and money; to Betsy Eaton for her many years of service as a Trustee; to the Friends of the Library whose support is the envy of many neighboring towns; and to the staff who efficiently do their jobs and enthusiastically serve the patrons. The Trustees thank most of all the people of the Town of Newton whose continued support for the library has made our success possible.

Respectfully submitted,
Trustees of the Gale Library

GALE LIBRARY
Director's Report

This has been the year of the computer at the Gale Library. All of our records have been computerized allowing us to extract more information and, we hope, to serve the community better. To

those of you who may not have visited us recently, we have a new library card system. It was developed in order to comply with privacy regulations and all of our patrons must re-register and be assigned a number for their new cards. Please allow a little extra time when you come in to use the library and to get your new card.

In 1988, we hope more of you will be able to join the computer age. The Friends of Gale Library have generously agreed to purchase a second Apple IIe and printer to be used by library patrons. If you've been curious about computer applications in your life, or if you wish to do some word processing or number crunching after work hours, or if your children would like to type a research paper or create a computer graphics title page, this computer is for you. Staff members will be available to get you started and, if sufficient interest is shown, we will run some workshops on the various programs or computer applications.

In closing, we would like to extend our gratitude to the many individuals and organizations who have donated materials or time to the library including: the Newton Lions Club (books and a game commemorating the Bicentennial of the Constitution, and a donation), Medical Marketing (donation), and the Exeter Area Women's Club (office chair). As always, we thank Ruth Bragg for her efforts to improve the New Hampshire collection and her hours as a volunteer; and we also thank the Friends of Gale Library who continue to support the library.

During 1987, the Planning Board has spent many work sessions in the development of a new set of Subdivision Regulations. The Board has been aided in this task by the Circuit Rider Planner from the Rockingham Planning Commission. This professional planner has also guided the Planning Board in its consideration of Subdivision and Non-Residential Site plans in the preparation of the eight amendments to the Newton Zoning Ordinance and the amendment to the Newton Building Code which will appear on the March 1988 ballot.

The Circuit Rider Planner, Henry Barbaro is available for assistance to the public from 12 PM to 4 PM on the first and third Thursdays of each month at the A. Marian Hatch Building, 22 South Main Street. Mr. Barbaro serves as a valuable liaison between the Planning Board, potential developers and other residents of Newton.

The Capital Improvements Committee has met with all Town committees and departments and is in the process of correlating the projected data which is to be turned over to the Planning Board. With the assistance of the Circuit Rider Planner, this data will be used to determine the need for a Growth Management Program and if needed, to formulate such a program.

Elections were held on April 14, 1987; George M. Moore, Jr. was voted Chairman and Suzanne J. Ryan was voted Secretary.

The Board meets the second and fourth Tuesday of the month at the A. Marian Hatch Building, 22 South Main Street. The fourth Tuesday of each month is reserved for Public Hearings. Preliminary meetings with landowners and developers are held on the second Tuesday.

The public is welcome and, in fact, encouraged to attend all meetings. The Board needs input from the townspeople in order to make informed decisions. Legal notices and agenda of all meetings are posted at the Town Hall and the Post Offices.

Respectfully submitted,
Suzanne J. Ryan, Secretary

NEWTON CONSERVATION COMMISSION REPORT

The Newton Conservation Commission has had a very active and successful year. The Commission now meets on the first and third Thursdays of each month. The first Thursday is a business meeting to review and discuss Dredge and Fill Permit Applications and development submittals to the Planning Board. Field observations and site walk-overs are usually scheduled on Saturday mornings. The third Thursday meeting is a Wetlands work meeting. The Commission is developing a more detailed wetland map of the Town and is mapping "Prime Wetlands".

Several new members were appointed to the Conservation Commission this past year. The Commission wishes to thank those resigning members for their participation. We are encouraging any interested town residents to attend Commission meetings and become Alternate Members. Alternate Members may attend meetings and seminars, have input into the Commission decisions and assist in developing Conservation Commission recommendations.

Through several Dredge and Fill Permit Applications, the Conservation Commission has been able to suggest alternative site plans to developers. The developers have been receptive to the suggestions and have modified plans submitted to both the State Wetlands Board and the Newton Planning Board.

As part of their continuing education, the members of the Commission have attended several seminars and meetings. Topics of these seminars include, High Intensity Soil Surveys, The Trust for New Hampshire Lands and Soil Typing.

The Conservation Commission is looking forward to working with the Planning Board, area developers and the Board of Selectmen.

Respectfully submitted,
Robert E. Fox, Chairman
Conservation Commisison

RECREATION COMMISSION

The Recreation Commission had a very busy year between the swimming program, Newton community youth summer program, and the Heath Street recreational area. All the programs were used to the fullest extent and the residents of Newton seemed quite enthused about all of the activities. The beach area and the Heath Street area were busy almost constantly.

I would like to thank all of the people who worked with me on the Recreation Commission for the last few years who helped to make it a big success.

Respectfully submitted,
Leslie Hollinrake, Chairman
Recreation Commission

ANIMAL CONTROL OFFICER REPORT

I would like to thank all dog owners for getting their dogs licensed in 1987. It made my job a lot easier to do. I am asking for your help and cooperation again in 1988, as my goal will be to get all dogs licensed and to keep them restrained to their own property.

I am looking forward to assisting you in any problems you may have relating to animals. I can be reached at 382-8144.

BUILDING INSPECTOR REPORT

Building has been quite active during the first ten months of 1987. November and December have seen a slowdown due to weather and financial situations.

The opening of Mr. Fitzgeralds "Willowbrooke Mall", with its restaurant, function hall and shops is a convenience long needed.

The Plaistow Bank & Trust building should be ready for occupancy early in 1988 and will be a welcome service to the community..

Also, the R & M Trust has done an excellent job of converting the old Cheney store in the Junction for general office space and storage.

BOARD OF APPEALS

The Board of Appeals has heard many appeals during 1987, reflecting the growth and continued expansion of our town. The members have continued to be attentive to their duties and strive to bring the judicial processes to the "home town level". The effect of an unprejudiced Board of Appeals is especially important in this age of "lawsuits". Many months of delay and many dollars saved by our citizens by processing their appeals and requests for variance through this agency are immeasurable.

You are reminded that the Board meets monthly and is available for preliminary discussions to help you determine your needs. So that we may better serve the majority of the residents, we need your continued support and request that you vote "yes" on the warrant article dealing with Special Exceptions.

Respectfully submitted,
Robert Gleichauf
Chairman

BOARD OF HEALTH

The steady growth in town has kept the Board of Health active this past year. Much of the undeveloped land in town has been under investigation for future development. Observations of site investigations by the health officer has allowed the town to keep a step ahead in anticipating future growth.

We have continued to monitor Country Pond. At this point in time, our biggest problem has been contamination from failed septic systems. At year end, a report was issued from EPA suggesting possible contaminates from the Super Fund Site in Kingston may be going underneath the pond and popping up on the Newton side. The Newton Board of Health, in conjunction with the Town of Kingston and the WASTE Committee, continues to watch this situation very closely.

Solid waste is a continuing major area of concern (please read other reports on this subject). The shutdown of the GLSD Plant in North Andover this past September to outside septage and the refusal of many local landfills to accept demolition debris are signs of a growing problem. Complaints have also increased in town about illegal dumps which the Board of Health is working to cleanup (this process is very often slow).

In the coming year, the Board of Health will be seeking an assistant health agent to help with the increasing inspections. The State continues to defer many areas of responsibility to the local communities. As we become more developed, more areas of concern are uncovered.

As the possible opening of Seabrook looms near, a close watch is being kept to make sure (in conjunction with the Civil Defense Director) that the health concerns of the residents of Newton are paramount. We continue to assist residents with questions on many Health and Environmental issues and we continue to encourage your requests. As of the first of February, the Board of Health has moved to the rear room in the A. Marian Hatch Building.

Kenneth A. Pelletier

THE SOUTHEASTERN ROCKINGHAM SOLID WASTE PLANNING BOARD (53-B)

The Planning Board has had the responsibility over the past year of reviewing the 149-M Plan and reporting back to the 15 original municipalities on the need to form a District to address and implement solutions to the solid waste problems. Working hand-in-hand with the 149-M District, the Planning Board sent to all the municipalities an intermunicipal agreement to form a 53-B District. The District will allow towns to participate in up to three related but separate projects.

A multi-purpose landfill is in preliminary planning stages and the site selection process is approaching its final stages. This landfill will serve many needs of the District communities. It has been voted by both the 149-M District and the 53-B Planning Board that this site will be owned and controlled by the 53-B District.

A four to six hundred ton/day trash to energy facility is in its initial planning stages. It also is approaching final site selection and the second part of vendor selection will begin in April. the third project involves the processing of septage/sludge at a District facility. A technology review is in its final stages and an approach will be selected later this spring. this will be followed by site selection and vendor procurement.

The process for a municipality to join the District will take place at town meetings (and in Portsmouth at a city council meeting) where the issues will be discussed followed by a paper ballot vote. This will be followed by a meeting in early April to formalize the District. All other towns will have 120 days to express interest to the District in joining one or more projects.

We encourage your participation in this process. Our meetings are normally scheduled for the third Thursday of the month at 7:30 PM in Exeter at the Senior Citizen Center.

Respectfully submitted,
Kenneth A. Pelletier
Rep. - Town of Newton
Planning Board Chairman

SOLID WASTE MANAGEMENT PLANNING COMMITTEE

The Committee has closely been watching the activity of both Districts to which the Town belongs; (149-M Planning District & 53-B Planning Board) as well as communicating with neighboring Towns, the State and our Transfer Station Supervisor, David G. Bisson so as to keep the Town prepared for all areas of concern. With the release of the 149-M Plan in September and final approval by the District and State in January '88, the way is set for the Town of Newton to look at internal concerns in preparation of making decisions it must make on many serious matters.

The Committee will hold a Public Hearing in late February to discuss issues that will come up at Town Meeting. Watch for a survey to be distributed to residents and businesses later this spring so that the committee can solicit input to assist in its planning process. A meeting to discuss the recommended actions will take place later this year.

Respectfully submitted,
Kenneth A. Pelletier
Chairman

THE SOUTHEAST ROCKINGHAM SOLID WASTE DISTRICT (149-M)

The District (originally 13 towns) has completed a three year process to organize, assess the current situation, review options and create a plan. A major decision, which was completed last January 1987 was to merge the District with two others to form a larger District consisting of 21 towns.

Over the past year, preliminary plans from the three original Districts were merged, updated and a comprehensive plan was completed. A draft plan went through District, Municipal and State review from mid-August to mid-January. In early January, three informational meetings were held to explain the plan to the public. At the end of January, the District held a Public Hearing and the plan was accepted. The State also accepted the plan. The plan in synopsis form will be presented at Town Meeting.

This does not complete the District's responsibilities, as it must review all planned projects within the District as to their compliance with the District Plan. The District is also in the middle of a septage/sludge study and must constantly review its plan and update it as needed.

We encourage your attendance at meetings and welcome your input. Our meetings are normally held the second Thursday of the month at 7:30 PM in Brentwood at the County Nursing Home Auditorium.

Respectfully submitted,
Kenneth A. Pelletier
Rep. - Town of Newton
District Chairman

FAMILY MEDIATION

Family Mediation of Southern Rockingham County has continued to serve the juveniles and families of your community in 1987 even more effectively than in previous years. At this time the program not only serves as a resource for families experiencing conflicts, but as a referral source for other services, a crisis intervention program, a liaison to the police department and the Plaistow District Court, as well as the juvenile services office for the court catchment area. At this point juveniles experiencing difficulty in the home, school or community are being served in a more intensive way than ever before.

Since 1983 the program has been in operation. At that time, only two towns funded the program. At this point, all six communities fund the program, proving that a cooperative effort between communities can truly benefit the residents of those towns. Both Justices of the Plaistow District Court are in full support of the program.

Should you have any questions, please do not hesitate to contact me at 382-9341. I truly hope that you will continue to support the program, and I look forward to continued work with residents of your community.

Respectfully submitted,
Dawn Barnes Krygeris
Program Coordinator

ROCKINGHAM COUNTY COMMUNITY ACTION PROGRAM, INC.

Rockingham County Community Action Program (RCCAP) is a private, non-profit corporation, officially designated as the anti-poverty agency to serve the low-income population of Rockingham County. Its mission is to serve the multitude of needs of the area's low-income residents by assisting them in coping with the hardships of poverty, giving them the tools to lift themselves out of poverty, and seeking to eradicate the root causes of poverty. RCCAP has now been effectively serving those needs for more than twenty-two years.

As a county-wide organization, linked to state and national service networks, the agency seeks to mobilize all available local, state and federal resources, both private and public, to bring to bear on the problems of poverty. As an agent of change, RCCAP encourages low-income individuals to attain the skills, knowledge and motivation to become self-sufficient. And as advocates for the poor, we strive to create a general community awareness of and responsiveness to the needs of the disadvantaged.

Our efforts are conducted through Outreach center Program Sites located in Derry, Exeter, Portsmouth, Raymond, Salem and Seabrook, as well as intake, clinic and/or distribution sites in 19 of the county's 37 communities.

Community Action currently provides a range of services, unduplicated elsewhere in the county, which: 1) meet immediate, frequently critical, individual crises, and 2) provide the means to help prevent or eliminate the pervasive causes and effects of poverty. These include:

FUEL ASSISTANCE PROGRAM - **44 Newton Residents received $23,964.**
Description: The Fuel Assistance Program provides financial grants of up to $500 to income-eligible households to assist with energy-related expenses. Severe hardship recipients also qualify for up to $150 of Additional aid through a number of supplemental assistance programs.

WOMEN, INFANTS AND CHILDREN (WIC) PROGRAM - **27 Newton Residents received $12,639.**
Description: The WIC Program offers supplemental nutritious foods, nutrition education, breastfeeding support and health care referral to eligible pregnant women, nursing mothers, infants and children up to age five.

CENTER SERVICES - **40 Newton Residents received $238.00.**
Description: Center Services include a wide range of services offered by outreach center personnel, including information and referral, advocacy, direct client assistance and crisis intervention services.

CRISIS ASSISTANCE (FEMA FUNDS) - **3 Newton Residents received $596.**
Description: The Crisis Assistance Program provides a one-time financial grant to eligible households for the payment of rent, mortgage, electricity or fuel for those in emergency situations (those who face evictions, foreclosures, utility terminations or lack of fuel). (Funds are provided by the Federal Emergency Management Agency)

LIFE LINE - 4 Newton Residents received $1,826.
Description: The Life Line Program offers emergency response systems provided by Pioneer Medical Systems that help homebound elderly or disabled persons to maintain their independence.
the program is designed to ensure the safety and the quality of life of the elderly and handicapped and provides immediate twenty-four hour access to community medical responders.

SURPLUS FOOD DISTRIVUTION - 163 Newton Residents received $4,791.
Description: The Surplus Food Distribution Program disseminates USDA Commodity Foods, including cheese, butter, flour, dried milk, cornmeal and rice to thousands of low-income households as a supplement to their diets.

The Town of Newton has contributed to our agency for several years, and we extend our appreciaiton to you for your continued support.

Respectfully submitted,
Amy Mueller-Campbell, Director
Greater Raymond Community Action Center

ROCKINGHAM CHILD AND FAMILY SERVICES

Rockingham Child and Family Services is a private, non profit, social service agency that offers counseling services to family members experiencing problems that they are unable to effectively handle alone. Our revenues include fees charged, charitable contributions, fund raising events and the support of the State, Rockingham County and the Towns of Rockingham County. The total of funding by the Towns represents approximately 30% of our operating budget.

By the way of further background, Rockingham Child and Family Services is available to all citizens of Rockingham County. In the past year we have provided approximately 2500 hours of counseling. We counsel both private clients and those referred to us from the welfare system the police and the courts. The clients may be experiencing drug and alcohol abuse problems and/or marital, family problems such as divorce and child abuse. The age range of our clients is from the very young to the elderly.

Many times our clients are unable to pay a $50.00 hourly fee for counseling. That is one of the reasons they come to Rockingham Child and Family Services, rather than a private counselor. We evaluate each client's financial position and adjust billings on a sliding scale based on their ability to pay. We do not refuse any client based on an inability to pay.

As mentioned previously, the Towns of Rockingham County are a primary source of funding. This year we hope that you will look favorably on our request as you have in prior years. Should you require additional information, please call 772-3786.

Janis C. Kern
Town & County Request Committee

LAMPREY HEALTH CARE

Lamprey Health Care will mark seventeen years of providing services in 1988. Two medical offices, one in Newmarket and one in Raymond, provide general medical care, preventive health services, community outreach, social services and short term counseling with referral to mental health agencies.

Services also offered by Lamprey Health Care include Senior Citizen Transportation and Information and Referral Services for Rockingham County. Lamprey Health Care's medical team consists of six physicians: Sarah Oxnard, MD, Pediatrician; Cynthia Rasmussen, MD, Obstetrician-Gynecologist; and four Family Practitioners, Edward Benoit, MD; Karen Brainard, MD; Paul Friedrichs, MD; and our newest member, Micki Kantrowitz, MD. Also on staff at Lamprey Health Care are Michael Lewis, Certified Physician's Assistant; Barbara Janeway, Nurse Practitioner; Anne Fawcett, Nurse Practitioner; and John Mark Blowen, Nurse Practitioner. Registered and Licensed Practical Nurses round out the Medical Team. The addition of physicians in recent years allows Lamprey Health Care to respond to the growing demand for services. Under the direction of Dr. Rasmussen, Lamprey Health Care operates a prenatal program which includes prenatal, delivery and postpartum care along with nutritional counseling, prenatal and parenting classes and social services and/or referral.

Lamprey Health Care continues to operate the Senior Citizen Transportation Program. The transportation service enables senior citizens to remain independent, self-sufficient and active by providing the means to needed services, including medical, food shopping and recreational trips. Three of the five busses operated by Lamprey Health Care are equipped with hydraulic lifts to provide services to the handicapped. For further information, call 659-2424 or toll-free 1-800-582-7279.

Lamprey Health Care also operates The Rockingham County Info-Center which provides information and referral services to the residents of the county. Information is available to callers through a toll-free number on a wide range of subjects. The toll free number is 1-800-582-7214.

Tel-Med is a taped library of "non-diagnostic" health information designed to proved basic facts about certain diseases, conditions or health issues. The library contains 200 taped messages which are accessible 24 hours per day, seven days a week by households with touch tone phones and Monday - Friday from 8 AM to 4 PM by households with rotary dial. The numbers to reach Tel-Med are 433-3232, 433-3242, 659-7514 and 659-7516. The Tel-Med program is funded by The Foundation for Seacoast Health of Portsmouth. For more information or for a brochure of Tel-Med tapes you may call toll-free at 1-800-582-7214.

Lamprey Health Care wishes to express its appreciation to the Town of Newton for its support.

Respectfully submitted,
Ann H. Peters
Executive Director

NEWTON CONSTITUTIONAL BICENTENNIAL COMMISSION

The Newton Bicentennial Commission was formed in August, with John T. Kelleher Chairman, Myrtle Rogers Program Director, Sherman McCutcheon Treasurer, Elizabeth Standing Secretary and Irene Nally Coordinator. A series of events were planned and carried out in September for the Memorial School and the Sanborn Junior High School.

A Speakers Bureau was formed and members are prepared to speak to various organizations about the history of the U.S. Constitution and the Bicentennial Celebration.

The Commission sponsored an essay contest on "The Meaning of the United States Constitution" written by members of the eighth grade. The entries will be judged by the Newton Historical Society and prizes will be awarded by the Newton Lions Club.

A Youth Challenge is planned for the fifth grade at Memorial School on the USIQ trivia game based on the N.H. Challenge TV.

The Newton Lions Club donated books to the Gale Library and to the Memorial School to cover the Bicentennial.

The Commission is required to plan a "Living Heritage" for the Town. The Commission, in conjunction with the Conservation Commission and the Historical Commission is sponsoring a contest to design a Heritage Park on the Marshall Property; and plans to further develop the Marshall Property as a "Living Legacy" for future generations.

Tee shirts with the Newton Bicentennial logo and Bicentennial pins are being sold and pancake breakfasts are being held to fund these various activities.

All organizations in Town are urged to sponsor any of these events or any other activities of a patriotric nature and/or help the Commission. The success of any program is contingent on the participation of all of the people of Newton.

Respectfully submitted,
John T. Kelleher, Chairman
Myrtle Rogers
Sherman McCutcheon
Elizabeth Standing
Irene Nally
